

Merit Systems Protection Board

§ 1204.21

under this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(f) *Notice of intent to release information.* The Board will consider carefully a business submitter's objections and specific grounds for claiming that the information should not be released before determining whether to release confidential commercial information. Whenever the Board decides to release confidential commercial information over the objection of a business submitter, it will forward to the business submitter a written notice that includes:

(1) A statement of the reasons for which the business submitter's objections to the release were not sufficient;

(2) A description of the confidential commercial information to be released; and

(3) *A specified release date.* The Board will forward the notice of intent to release the information a reasonable number of days, as circumstances permit, before the specified date upon which release is expected. It will forward a copy of the release notice to the requester at the same time.

(g) *Notice of Freedom of Information Act lawsuit.* Whenever a requester files a lawsuit seeking to require release of business information covered by paragraph (d) of this section, the Board will notify the business submitter promptly.

(h) *Exceptions to notice requirements.* The notice requirements of this section do not apply when:

(1) The Board decides that the information should not be released;

(2) The information lawfully has been published or otherwise made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552); or

(4) The disclosure is required by an agency rule that:

(i) Was adopted after notice and public comment;

(ii) Specifies narrow classes of records submitted to the agency that are to be released under the FOIA; or

(iii) Provides in exceptional circumstances for notice when the submitter provides written justification, at the time the information is sub-

mitted or a reasonable time thereafter, that release of the information could reasonably be expected to cause substantial competitive harm.

(5) The information requested is not designated by the submitter as exempt from release according to agency regulations issued under this section, when the submitter has an opportunity to do so at the time of sending the information or a reasonable time thereafter, unless the agency has good reason to believe that disclosure of the information would result in competitive harm; or

(6) The designation made by the submitter according to Board regulations appears obviously frivolous; except that, in such case, the Board must provide the submitter with written notice of any final administrative release decision within a reasonable period before the stated release date.

§ 1204.15 Records of other agencies.

Requests for Board records that were created by another agency may, in appropriate circumstances, be referred to that agency for discussion or processing. In these instances, the Board will notify the requester.

Subpart C—Appeals

§ 1204.21 Submission.

(a) A person may appeal the following actions, or failure to act by the Clerk of the Board, a Regional Director, or Chief Administrative Judge:

(1) A denial of access to agency records;

(2) A denial of a request for a waiver or reduced fees;

(3) A decision that it is technically not possible to reproduce electronically maintained information in the requester's preferred format;

copy of the letter denying the request, and a statement of the reasons why the requester believes the denying employee erred.

§ 1204.22 Decision on appeal.

A decision on an appeal will be made within 20 workdays after the appeal is received. A decision not to provide expeditious processing of a request will be made within 15 workdays after the appeal is received. § 1205.2 Policy and scope.

The Board’s policy is to apply these regulations to all records that can be retrieved from a system of records under the Board’s control by using an individual’s name or by using a number, symbol, or other way to identify the individual.
